Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 16 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain and snow clearing east, isolated showers later.

Today:
Breezy with outbreaks of sleet and snow to start, and some more persistent snow for a time this morning in more eastern areas giving temporary accumulations. Becoming drier from the west this afternoon, but further showers across Norfolk by evening. Maximum temperature 6 deg C (43 deg F).

Tonight:
A few showers across East Anglia at first this evening and again later in the night, but mostly dry elsewhere. A touch of ground frost in sheltered parts by morning. Minimum temperature 1 deg C (34 deg F).

Sunday:
After a chilly start, a dry day across the region with some sunny spells, but rather breezy across the Norfolk coast. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
Increasingly cloudy through Monday, with more general wind and rain in the evening. Tuesday and Wednesday windy with coastal gales and outbreaks of rain, but also some drier interludes.
